ATTENTION ALL NEW MEMBERS!

New Member Orientation
Wednesday, September 6 (CH)
Thursday, September 7 (EV)

New members, last chance to register for the new member orientation session that will be taking place on your campus this week only. At the orientation, you will get your Net-ID and we walk you through the activation process. You will also learn about the OLLI organizational structure, emergency procedures, Northwestern resources available to you, and gain a better understanding of the peer-led discussion format. Lunch will be provided.

The orientation is not required but highly recommended. If you do not attend, you will receive your Net-ID the first week of class.

Register for the orientation session on the campus where you will be attending the majority of your study groups.

ATTENTION MEMBERS!

OLLI's 30th Anniversary Party
Tuesday, September 19
6:00pm - 9:00pm

RSVPs must be received by Friday, September 8!

OLLI at Northwestern turned 30 this year, and we think that is worthy of celebration! Join us to mark OLLI's 30 years at Northwestern. We will gather at the Peggy Notebaert Nature Museum on Tuesday, September 19 for an elegant dinner and night of celebration. Dinner will be served in the South Gallery which hosts floor-to-ceiling windows that offer an unparalleled view of the natural elegance of Lincoln Park. We'll
also have access to the Judy Istock Butterfly Haven from 6-8pm. More information about the Butterfly Haven can be found HERE.

Dinner options include your choice of Cabernet braised short ribs of beef; stuffed breast of chicken; or a vegetarian and gluten-free option of an eggplant, zucchini & red pepper tower. Please indicate your choice on your reply card. The full dinner menu can be found HERE.

Seating will be in tables of ten. If you would like to be seated with friends please call Lisa at the OLLI office 847-492-8204.

If you did not receive an invitation in the mail or you have any questions, contact Lisa at 847-492-8204

ATTENTION BASIC & ALL-INCLUSIVE MEMBERS

Northwestern Wildcards

Important Information and Correction

The first batch of Northwestern Wildcards have been mailed out to Basic and All-Inclusive members. Included in the mailing is a letter stating that if you are on the Chicago campus and wish to receive a Wildcard with a photo, you can take a photo in the Schaffner Library. Since the letter was printed this has changed. On the Chicago campus, if you wish to take a photo for your Wildcard, you will be able to do so starting Tuesday, September 12, 2017 through Thursday, September 14, 2017. Photos will be taken during the lunch hour only which is from 12:00 pm-1:30pm. If you would like to have your photo taken, come to the lounge on the fifth floor of Wieboldt Hall (the lounge behind the OLLI info table) during that time. This will be the only opportunity to have this done on the Chicago campus. Alternatively, you can visit the Wildcard office anytime on the Evanston campus.

Information on why you might want a photo on your Wildcard can be found HERE. Information on what benefits are available to Wildcard holders can be found HERE.
PLEASE NOTE:
If you have had a photo on your Wildcard in the past you do not need to have a new photo taken. It will already be on your card. Only new members, and existing members who have never had a picture on their Wildcard, need to have a picture taken. Wildcards are not included with the Trial or Single Semester memberships.

OLLI in the News!
Chicago Tribune Primetime

Last week, OLLI was featured in the Primetime section article on lifelong learning!

"Graduation is often considered the completion of one's education but many of today's adults are realizing that there are still books to be read, ideas to be discussed and knowledge to be gained. They are returning to college in increasing numbers proving that, apparently, you can teach an older adult new tricks..."

RESEARCH PARTICIPATION OPPORTUNITY

Research Study on Memory Improvement

The Laboratory for Human Neuroscience at Northwestern University Feinberg School of Medicine is recruiting adults over the age of 65 for a two-week research study testing whether noninvasive brain stimulation can improve memory in adults over the age of 65. During your visits to the laboratory, you will undergo MRI, testing using computer tasks and a noninvasive form of stimulation called TMS. Payment is provided for participation and
reimbursements will also be provided for travel expense.

**Click here for more information.** Or contact the Laboratory for Human Neuroscience at 312-503-5613 or lhn@northwestern.edu

## Northwestern Public Events
