## Shurawl Sibblies

**Executive Vice President, Colleague Strategic Partner, American Express**

Shurawl Sibblies received a master's degree in predictive analytics from Northwestern University School of Professional Studies, a master's degree in business administration from the University of Rochester, and a bachelor's degree in business administration from the University at Albany, State University of New York.

Today, she is Executive Vice President and Colleague Strategic Partner at American Express, a global payments company. She is a member of the Colleague Experience Group senior leadership team and is a member of the company's senior management team. Shurawl leads a global team comprised of labor relations and colleague strategic partners. In her role she and her team focus on providing a great colleague experience every day to enable everyone to be and deliver their best. American Express was ranked number three overall on Fortune's 100 Best Companies to Work for in the United States.

Prior to American Express, Shurawl was Senior Vice President of Human Resources at MetLife, a global insurance company. She developed and led the company's global workforce analytics function and served in several human resources business partner roles.

Over her career she has lived and worked in New York, California, and London. Shurawl is a proud member of the Society for Human Resource Management and has earned the organization's Senior Certified Professional credential as an expert in the human resources field.

Shurawl and her husband Winston met in college and just celebrated their 25th wedding anniversary. They have two children, a daughter in college and a son in high school.

## Alpha Sigma Lambda

In 1946, Rollin Posey, Dean of Continuing Education at Northwestern University, founded the Alpha Sigma Lambda society to honor superior scholarship and leadership within the division of continuing education. It provides a prestigious opportunity to recognize undergraduate students who accomplish academic excellence while balancing the competing interests of family, work and community.

Other schools in the Association of University Evening Colleges accepted Dean Posey's concept. Northwestern's society became the Alpha Chapter. Students who have maintained the high level of academic excellence required for Alpha Sigma Lambda membership are eligible to graduate with this prestigious honor.

Alpha Sigma Lambda has continued to grow. It is not only the oldest but also the largest chapter-based honor society for adult students. Today, there are nearly 300 chartered chapters throughout the United States.

Burgundy and gold cords worn about the neck signify membership in the Alpha Sigma Lambda national honor society. Spring 2023 ASL honorees will be determined upon the finalization of term grades.

## Student Alliance Board

The Student Alliance Board is an organization that promotes connection and engagement within the School of Professional Studies student body and the greater Northwestern University community. Purple and white cords worn about the neck signify graduating Student Alliance Board members.

## Student Leadership Councils

The Student Leadership Councils (SLC) are student-led organizations that provide opportunities and resources to augment the student experience and advocate for the student body. The SLC's act as liaisons with staff and faculty, plan events, keep students informed on relevant topics, and curate spaces for students to network and support each other. They play roles in ensuring that graduates and alumni are equipped with the knowledge and resources necessary to thrive in the rapidly evolving industries of today. Purple and white cords worn about the neck signify graduating board members from the Student Leadership Councils.

## University Motto

*The full text of the University motto, adopted on June 17, 1890, is from the Epistle of Paul the Apostle to the Philippians, chapter 4, verse 8 (King James Version).*

Whatsoever things are true,  
whatsoever things are honest,  
whatsoever things are just,  
whatsoever things are pure,  
whatsoever things are lovely,  
whatsoever things are of good report;  
if there be any virtue, and if there be any praise,  
think on these things.

## University Hymn

*Quacumque sunt vera*  
words by J. Scott Clark (Northwestern University Professor)  
after Philippians 4:8  
music by Peter Christian Lutkin (Northwestern University Dean)  
after Franz Joseph Haydn  
English version by Thomas Tyra ('54)  
arranged by Kevin Vondrak (MM '17)  
commissioned by the Bienen School of Music and Donald Nally for  
the 60<sup>th</sup> reunion of the Class of 1959  
Performed by Treblemakers

*Quaecumque sunt vera,  
Proba, justa, mera  
Omnia haec dona  
Praebes nobis bona  
Alma Mater cara  
Benedicta, clara,  
Celsa in honore  
Nostro et amore!*

Hail to Alma Mater!  
We will sing thy praise forever;  
All thy sons and daughters  
Pledge thee victory and honor.  
Alma Mater, praise be thine,  
May thy name forever shine!  
Hail to Purple! Hail to White!  
Hail to Thee, Northwestern!

## **Land Acknowledgement**

To recognize the land is an expression of gratitude and appreciation to those whose territory we reside on—and a way of honoring the Indigenous people who have been living and working on the land from time immemorial. It is important to understand the long-standing history that has brought us to reside on the land and to seek to understand our place within that history.\*

The Northwestern campus sits on the traditional homelands of the people of the Council of Three Fires—the Ojibwe, Potawatomi, and Odawa—as well as the Menominee, Ho-Chunk, and Miami tribes. It was also a site of trade, travel, gathering, and healing for more than a dozen other Native tribes; the state of Illinois is still home to over 100,000 tribal members. Consistent with the University's commitment to diversity and inclusion, Northwestern works toward building relationships with Native American communities through academic pursuits, partnerships, historical recognitions, community service, and enrollment efforts.
