Global Health Fieldwork Proposal: Below, briefly describe your current concept and plans for your Practicum Fieldwork project (region, problem planning to address and how you will address it). In your description of the project, include how receiving a scholarship can help support these goals. Please limit your project description to 150 words.

Note: Your project plans may continue to develop or change throughout the academic year, this description does not need to be a finalized project proposal. The description can also be sent separately to SPSscholarships@northwestern.edu. If you are sending your description separately, please indicate that in the following field.

I have reviewed and certify that I meet the scholarship qualifications. Initials: _____

I certify that the information contained on this application is correct. I understand that if any information provided on this application is found to be inaccurate, any funds awarded may be revoked.

I certify that I am in good academic standing, my student account is clear of any holds, have completed a FAFSA and the University Aid Application.

If awarded, I agree to submit a report on my fieldwork experience and its impact upon the completion of my practicum. I understand that these stories may be shared with the broader SPS community.

By signing and submitting this application, I give my approval for my fieldwork proposal to be shared with providers of the scholarship funds, as well as SPS staff responsible for gift stewardship.
