**SPS Graduate Program Curricula
2013-14**

The following program requirements apply to SPS graduate students that begin their program in the 2013-14 academic year. Please note that you are bound to the curriculum requirements in effect in the quarter you start taking courses, not the quarter you are admitted. While we will make every reasonable effort to accommodate students whose programs change, this is not always possible. Northwestern University reserves the right to modify or discontinue any program without notice.
