Chicago Campus Reminders - IMPORTANT

First: Please remember that there are classes before and after your study groups. If you arrive early there may be a class still in progress. Do not arrive more than 10 minutes prior to your study group start time and leave the room as quickly as possible after the end of your study group. If you would like to continue a conversation, please move to the student lounge.

Second: If you are unable to attend for the first two weeks of the session, please notify your OLLI Coordinator as soon as possible so you are not dropped from the study group.

Chicago - Evacuation Drills on Thursday, September 13

The annual building evacuation drills for the Chicago campus will take place on Thursday September 13, 2018. Between the hours of 10am-3pm, the Chicago Fire Department will activate the fire alarm system for Wieboldt Hall. All staff, students, and faculty in Wieboldt Hall are required to exit the building and head EAST towards the lake and meet at the designated rally points. To view a map of the rally points - Click Here.

If you have any questions, please contact sps-facilities@northwestern.edu.

Chicago - Major Construction on Lake Shore Drive

Please be aware that there is major construction taking place on Lake Shore Drive. If you are driving or taking the shuttle your travel time will be impacted. Expect delays and plan your travel accordingly. The construction spans from LaSalle to Monroe, but the back up is significant. The project is on an accelerated schedule that will require lane closures reducing Lake Shore Drive to two lanes in each direction. Work began on August 27 and will continue to the beginning of October. To get more information - Click Here.

**Location:** Shirley Ryan AbilityLab, 355 E. Erie St., 10th Floor, Chicago, IL 60611

Chicago is one of the most culturally diverse cities in the U.S., yet also one of the most segregated and divided. How does this affect Chicago’s community as a whole: its economics, its education, and its health? This fall, the Osher Lifelong Learning Institute (OLLI) at Northwestern University will examine these issues together and in a systematic way, to better understand their interconnectedness. The FREE half-day community forum, co-hosted with Leadership Greater Chicago, will shed light on the endemic inequity in our city and the inevitable, far reaching consequences of ignoring the issues. *Only a few space are left for this event. Registration is required.*

**Speakers & Panelists:**

Our panel will discuss how community organizations can build stronger and more equitable communities by working together on interrelated challenges, including housing, health, education, business and neighborhood development. Our experts will share their ideas on what is being done, what can be done, and the consequences of inaction. A question and answer session with our speakers and panel will follow their talks.
Marisa Novara Vice President of the Metropolitan Planning Council and author of two recent studies: *Cost of Segregation* and *Our Equitable Future: A Roadmap for the Chicago Region*

Richard Townsell Executive Director at the Lawndale Christian Development Corporation and a consultant to FEED (Fellowship Educational & Economic Development Corp.)

Special OLLI Price $8.00

OLLI is excited to be participating in One Book One Northwestern again this year. There will be events on campus for the whole Northwestern community as well as fall study groups in Chicago and Evanston and special events at OLLI for our members.

This year's selection is *The Handmaid's Tale* by Margaret Atwood. It's a gripping and chillingly relevant vision of our society radically overturned by a theocratic revolution. We are offering the One Book selection for sale to our members at a special OLLI price of $8.00. You can purchase the book through our online registration system (under Special Events). Once purchased, the book can be picked up at the OLLI office.
