Important Notice Regarding Wildcards:

It has been brought to our attention that some 2017-18 OLLI Net-Ids and Wildcards have accidentally been expired at the beginning of July rather than the beginning of September. As a result, some OLLI members have had difficulty renewing or checking out library books from Northwestern Libraries. Please know that the Wildcard office, Northwestern IT, and the NU libraries are aware of the error and are working to fix the problem. Unfortunately, we have no update yet.

Upcoming Events

A DIVERSITY & INCLUSION COMMITTEE SPECIAL EVENT

Building Equity in a Segregated City Friday, September 28

9am - 12:30pm

Chicago is one of the most culturally diverse cities in the U.S., yet also one of the most segregated and divided. How does this affect Chicago's community as a whole: its economics, its education, and its health? This fall, the Osher Lifelong Learning Institute (OLLI) at Northwestern University will examine these issues together and in a systematic way, to better understand their interconnectedness. The FREE half-day community forum, co-hosted with Leadership Greater Chicago, will shed light on the endemic inequity in our city and the inevitable, far reaching consequences of ignoring the issues. *Space is limited and registration is required for the event.*

**Space is limited.
Registration is required.**

Co-hosted with:

LEADERSHIP
GREATER CHICAGO

Speakers & Panelists:

Our panel will discuss how community organizations can build stronger and more equitable communities by working together on interrelated challenges, including housing, health, education, business and neighborhood development. Our experts will share their ideas on what is being done, what can be done, and the consequences of inaction. A question and answer session with our speakers and panel will follow their talks.

Marisa Novara Vice President of the Metropolitan Planning Council and author of two recent studies: *Cost of Segregation* and *Our Equitable Future: A Roadmap for the Chicago Region*

Richard Townsell Executive Director at the Lawndale Christian Development Corporation and a consultant to FEED (Fellowship Educational & Economic Development Corp.)

David Ansell, MD Senior Vice President of Community Health Equity at Rush University Medical Center and author of *The Death Gap*

Darlene Hightower Associate Vice President for Community Engagement and Practice for Rush University Medical Center

2018 -19 Northwestern One Book

Books Available for Purchase

Special OLLI Price \$8.00

OLLI is excited to be participating in One Book One Northwestern again this year. There will be events on campus for the whole Northwestern community as well as study groups and special events at OLLI for our members.

This year's selection is *The Handmaid's Tale* by Margaret Atwood. It's a gripping and chillingly relevant vision of our society radically overturned by a theocratic revolution. We are offering the One Book selection for sale to our members at a special OLLI price of \$8.00. You can purchase the book through our online registration system (under Special Events). Once purchased, the book can be picked up at the OLLI office.
