Registration for fall study groups is off to a great start! Thank you to all those who used the online system to register! **71% of OLLI students registered themselves using OLLI's Online Registration System. This is up from 66 % last semester.** The feedback we have received continues to be positive with most members responding that online registration took them less than a few minutes to complete.

As of 12pm on Friday, **997 students are enrolled for the fall semester!**

If you still need to register, the fastest way to do so is online. Mail-in and walk-in registrations will still be accepted. Note: online registration is by credit card only (Visa and Mastercard).

Important Notice Regarding Wildcards:

It has been brought to our attention that some 2017-18 OLLI Net-Ids and Wildcards have accidentally been expired at the beginning of July rather than the beginning of September. As a result, some OLLI members have had difficulty renewing or checking out library books from Northwestern Libraries. Please know that the Wildcard office, Northwestern IT, and the NU libraries are aware of the error and are working to fix the problem. Unfortunately, we have not update yet.
