2019-20 Northwestern One Book

2019-2020 One Book has been announced! This year's selection is Hidden Figures by Margot Lee Shetterly. Hidden Figures is the true story of three pathbreaking black women scientists whose work enabled NASA's first manned mission to orbit the Earth. We are offering the One Book selection for sale to our members at a special OLLI price of $7.85. You can purchase the book through our online registration system (under Special Events). 

Once purchased, the book can be picked up at the OLLI office.
Once purchased, the book can be picked up at the OLLI office. OLLI is excited to be participating in One Book One Northwestern again this coming academic year. There will be events on campus for the whole Northwestern community as well as study groups and special events at OLLI for our members.

**Fall One Book Study Groups at OLLI!**

If you’ve seen the movie *Hidden Figures*, you’ve only heard a fraction of the story. Join us for a study group on the One Book One Northwestern selection, *Hidden Figures* by Margot Lee Shetterly. We’ll explore the development of the aerospace industry, the wartime economy, women in science, math and technology, the legal and governmental actions toward civil rights, and the inconsistent implementation of those actions. The book examines these topics through the stories of three African-American women who were instrumental in some of America’s greatest achievements in space.

**Groups offered on both campuses!**

- **Chicago**: Tuesdays 1:15-3:15pm
- **Chicago**: Wednesdays 1:15-3:15pm
- **Evanston**: Wednesdays 1:15-3:15pm
