Location: Hughes Auditorium, Lurie Medical Research Center, 303 E. Superior St., Chicago

Join Northwestern University's Osher Lifelong Learning Institute (OLLI) for a screening and discussion of *The Area* with filmmakers, Brian Ashby and Deborah Payne. This 2017 documentary chronicles the five-year odyssey of a South Side Chicago neighborhood in Englewood, where more than 400 African-American families were displaced by a multi-billion dollar freight company. The film follows homeowner-turned-activist Deborah Payne, who vows to be "the last house standing," and the Row Row Boys, teen friends who must start a new life across gang lines. Deborah Payne and Brian Ashby will talk about the community experience and the making of the film.

This event is free and open to the public. Space is limited. Registration is required.
