Parking Validation
Machine for OLLI members Only

**Machine Availability:** Monday-Thursday, 9am-5pm

**To Use:**

1. **Insert your parking ticket into the machine with** the magnetic strip facing up and to the right.

2. **Wait** while the machine encodes the magnetic strip and imprints a serial number on the card. (approx. 10 seconds)

3. **Take the ticket from the machine once it is ejected** which indicates validation is complete. (You will no longer receive a chaser ticket)

**IMPORTANT:**

You must have entered the parking garage no earlier than 8:00am.

You must exit the parking garage no later than 5:15pm.

You must validate your parking ticket prior to leaving the building as there are no validation machines in the parking garages.
